- **Have NO LIMITS on earnings**
- **Be in business with literally NO RISK**
- **Have the TIME FREEDOM you want**
- **Earn a PASSIVE income for life**
- **Be in business FOR yourself, but not BY yourself**

# GETTING STARTED

**Step 1:** Why did you join MTI? \_\_\_\_\_ Your WHY is more important than your HOW

**Step 2:** Make a Name List of 52 people (Do Not PRE-JUDGE)

- Why 52 names? There are 52 cards in a deck of playing cards
- People who join your business can be categorised in the following way:

<b>Ace</b>	A Born Business Builder	<b>7</b>	A Hard Working Builder
<b>King</b>	A Seasoned Builder	<b>6</b>	An Eager Builder
<b>Queen</b>	An Experienced Builder	<b>5</b>	An “All Talk” Builder
<b>Jack</b>	A Skilled Builder	<b>4</b>	A Serial Meeting Builder
<b>10</b>	A Learned Builder	<b>3</b>	A Novice Builder
<b>9</b>	A Motivated Builder	<b>2</b>	An Unfocused Builder
<b>8</b>	An Enthusiastic Builder	<b>Joker</b>	Not serious about the business

Per deck of cards, you get 4 of each card. So the quicker you flip the cards, the quicker you will get your 4 ACES.  
**STATISTICALLY:** You can build a massive business with only 4 Business Builders.

**Contact only 1 person a day (you can do more if you want to)**

<b>WEEK 1 &amp; 2</b>	<b>WEEK 3 &amp; 4</b>	<b>WEEK 5 &amp; 6</b>	<b>WEEK 7 &amp; 8</b>
1:	14:	27:	40:
2:	15:	28:	41:
3:	16:	29:	42:
4:	17:	30:	43:
5:	18:	31:	44:
6:	19:	32:	45:
7:	20:	33:	46:
8:	21:	34:	47:
9:	22:	35:	48:
10:	23:	36:	49:
11:	24:	37:	50:
12:	25:	38:	51:
13:	26:	39:	52:

**There are at least 4 ACES on this list. Make a new list every 52 days**

## Step 3: Contact

Now that you have your Name List of 52 people, what's next? Time to contact them.

Think about how you were first approached to have a look at MTI...  
Something got your attention and that's why you are here on this exciting journey!

## **FIRSTLY – Find out if your prospect even owns BITCOIN...**

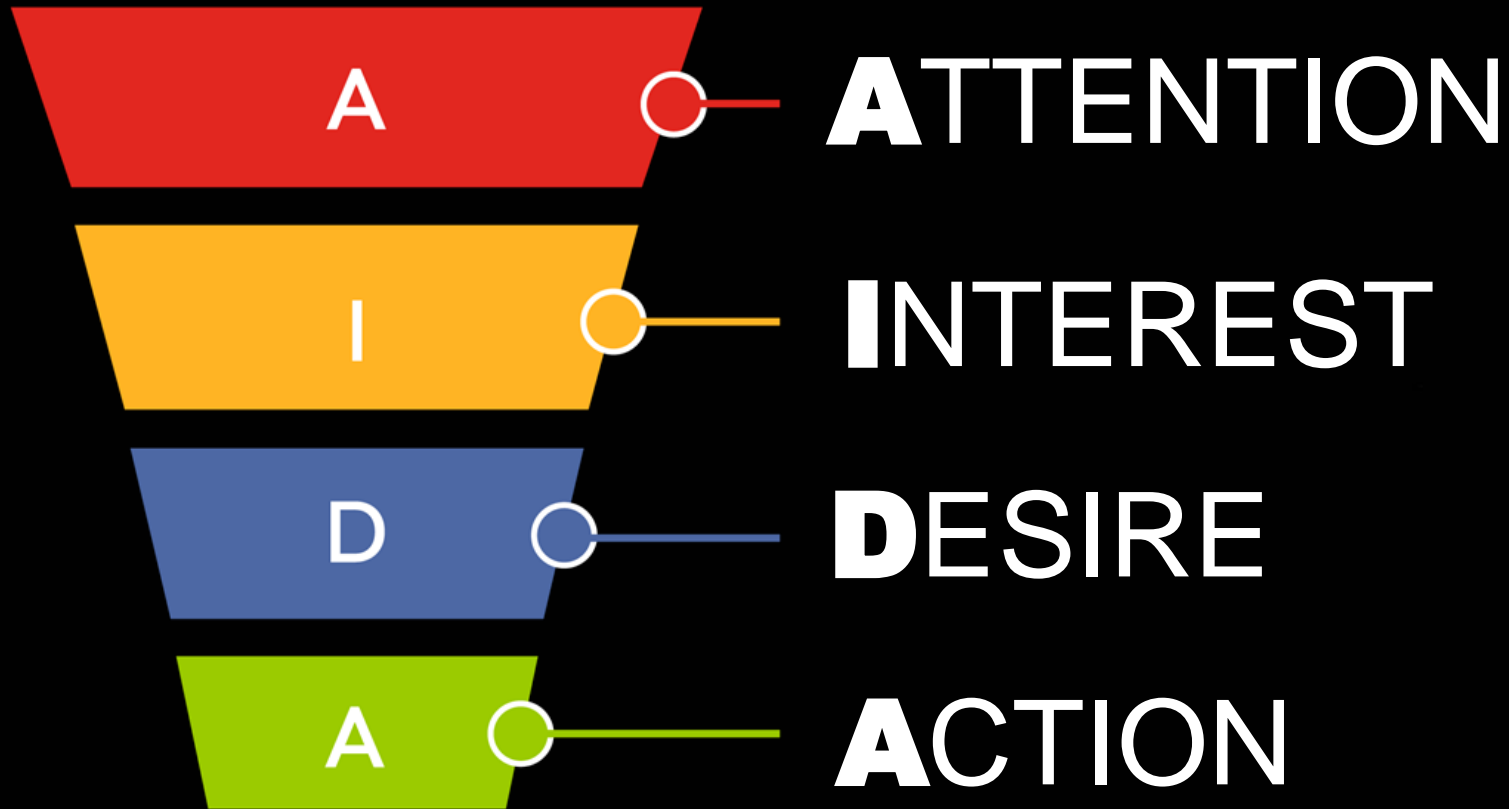

**Start the conversation with a WHATSAPP:** (The average person checks their phone **97** times a day)

- Hey John! How many Bitcoin do you currently own?
- Hey John!!! I struck Digital Gold! What do you know about Bitcoin?
- Have you read up about what Bitcoin is currently doing and what it's about to do?
- Hey John!!! Did you know Bitcoin is currently just under \$11 000 a Bitcoin? The experts are predicting by the end of 2021 it will hit \$100 000 a Bitcoin!

**NOTE:** These are just examples. You can mix and match the words to suit you and your prospect!

There is a Step By Step system called:

# AIDA

1. Start a conversation about Bitcoin

2. Talk about “Compound Interest” and “Growing your Bitcoin”

3. Send a short clip, Zoom Invite, or Zoom recording

4. Send recap and referral link

## Step 4: HANDLING OBJECTIONS:

After a meeting, some people will join immediately (They just “get it”). Some people have to process all the information and have questions in their heads. Below are the **most common objections**:

1. I don't have the money - <http://youtu.be/5TBRGIS428M>
2. I don't have the time - <http://youtu.be/qsx12A0wgSI>
3. Is this a “pyramid scheme”?
4. I need to speak to my spouse - <http://youtu.be/x1SKUt3IBLU>
5. I don't know any people
6. I am not a sales person - <http://youtu.be/k8wIHNwsFzg>
7. I have to think about it - [http://youtu.be/GweTpNeb5\\_4](http://youtu.be/GweTpNeb5_4)
8. I already have a good job
9. I have done networking before, why / how is this different?
10. If a person says NO

## Objection No 1: I DON'T HAVE THE MONEY

- How many years have you been working?
- Where on Earth can you start a business with \$100.00?
- You are \_\_\_\_ years old which means you have \_\_\_\_ pay checks left...
- Is investing in yourself and your future not important to you? Would you rather work for money?
- This business gives you the chance to take responsibility of your life and get on-top of your finances.
- If you had to lose your job tomorrow, how many months can you survive before you are on the street?
- Have you ever done the exercise by working out how many pay checks you have left until retirement?
- Have you ever owned your own business or explored how much it costs to set up a traditional business?
- Do you have a degree/diploma? How long did it take to get it? Did you earn money while you were studying?
- Is your current income increasing by more than 8% per year? If not, you are behind inflation and are going backwards!
- Your current income depends on YOU alone. Take YOU out the picture and the income stops. You trading time for money.
- We have all made decisions to get us to where we are today. This business can give you the opportunity to play “catch up”.
- With MTI you can earn while you learn! Double whammy: Grow your Bitcoin Quantity and the natural progression of Bitcoin!
- If you don't have \$100 to invest in your future, you will be in the same place 10 years from now – that is unfortunately reality!

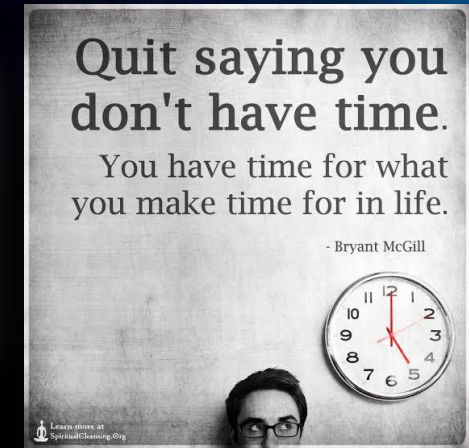

**TAKE BACK CONTROL OF YOUR LIFE NOW**

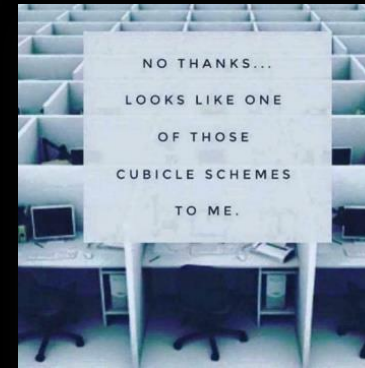

## Objection No 2: I DON'T HAVE THE TIME

- Do you earn money while you are sleeping?
- How many hours a day do you work at your current job?
- You are in an “uncomfortable comfort zone” – JOB (Just Over Broke).
- When does your boss let you go on holiday? How many days leave do you get?
- If you decided you need an emergency holiday for 2 months, will you still get paid?
- You can build this business around YOUR life. Build it while you are out and about.
- You don't have time to build financial security that will serve you for the rest of your life?
- If you don't put in the TIME into your job, you don't get paid. You are trading time for money.
- How many hours does it take you to get to work in the morning and back home in the afternoon?
- This business moves you from “Employee” to “Business Owner” immediately. It's about LEVERAGING your TIME!
- A 9-5 job is modern day slavery. Your life is dictated by another human because they pay you just enough to survive.
- Put in some work now and this business will grow while you are doing other things – that's the power of exponential leverage.
- If you put in only 15 mins a day over the next 52 days, you can build a business that will look after you for the rest of your life.
- If you are still in a 9-5 job, your days are numbered. The corporate structures as we know are crumbling in-front of our eyes.

**Jim Rohn – “WORK ON YOUR JOB FULL TIME – BUT WORK ON YOUR FUTURE PART-TIME”**

## Objection No 3: IS THIS A “PYRAMID SCHEME”?

- Have you been in a “pyramid scheme” before?
- No. A brand new person can earn more than existing members.
- Network Marketing does **not discriminate** because of your age, race, qualifications or gender. A FAIR industry!
- You cannot buy yourself into a higher level. Everybody starts at the same level. Equal opportunity from the start.
- No commissions are paid by recruiting people. Commissions are paid from the company by profits made in trades.
- In your JOB (Just Over Broke), does your boss earn more than you? And your bosses boss? Are they smarter than you?
- Network Marketing has been around since the 1940’s. Many of these are public companies listed on the **stock exchange**.
- Every structure in life is shaped like a pyramid. Companies, Churches, Governments, Families, Banks, Schools, Hospitals, etc.
- Lets compare – Industry value per year: NFL \$12 Billion, Music \$15 Billion, Gaming \$91 Billion, Network Marketing \$184 Billion.
- What other industry can give the ordinary “man in the street” an opportunity to earn enough to make an impact in the community.
- Humanity has been conditioned through the ages to “get good grades, get a good job and retire financially free”- Robert Kiyosaki

**FACT – NETWORK MARKETING IS THE FASTEST GROWING LEGITIMATE INDUSTRY IN THE WORLD**

## Objection No 4: I NEED TO SPEAK TO MY SPOUSE / PARTNER

**TIP:** Firstly, when inviting prospects to watch a Zoom Call, try and get both partners to watch it together. It will avoid this objection. To get a partner to try explain this 45 minute presentation in a few sentences is a recipe for disaster. In the real world, we know this is not always possible. So below are some points to get over this objection:

- Great idea, then you can do the business together!
- Fantastic you can sign him/her up and earn double!
- Why don't you get him/her onto the next Zoom Call and let us do the work for you.
- Great! This can benefit you both. Let's all get onto a Zoom Call: I can show you together how to get the life you want.
- That's great, you wouldn't want to speak to your spouse if you were not interested...right? Let's all meet together on Zoom!
- In this industry, couples usually make the strongest teams. We definitely need to make sure your spouse is on the same page.

**WORK TOGETHER AND EARN DOUBLE!**

## Objection No 6: I AM NOT A SALES PERSON

Have you ever been to a restaurant where the food was outstanding, the service was impeccable and ambiance was just perfect? When you experience something good, your instinct is to share your good experience with other people...right? You are unconsciously the “silent salesman”. Does the restaurant pay you for referring your friends to go eat there? No! We don’t “**sell**” to people we know, we simply “**share**” something good.

- We are simply messengers of hope.
- This business is about educating people.
- This business is about helping people change their lives for the better!
- Then you’re going to love this! This business is not about selling, it is about sharing.
- If you help enough people get what they want, you will automatically get what you want.
- If you give a person a fish, you feed him for a day. If you give him a fishing rod and teach him how to fish, you feed him for a lifetime!
- Rule 1 – your delivery is everything! The more authentic and passionate you are, the more people buy into YOU. Practice, visualise and make sure you believe in and love what you are sharing with others!

**SHARING IS CARING ☺**

## Objection No 7: I HAVE TO THINK ABOUT IT

When a prospect says: "I have to think about it", they are thinking 3 things:

1. I don't have the money
2. I don't see the value
3. I don't see the urgency

Ask them the following questions:

- What questions do you still have?
- Would you like to watch another Zoom Call?
- What do you need to know if this is right for you?
- Can I book a private Zoom Call with a leader to answer your questions?
- I love to learn and improve, what specifically is holding you back from deciding on this today?
- I understand that you're not quite ready to decide on this. Out of curiosity, what factors do you still need to consider?
- Obviously there is something that either doesn't make sense to you, or you need to check on something. What do I need to do right now that will make this work for you?

**"If someone offers you an amazing opportunity and you're not sure you can do it, say yes - then learn how to do it later."**

*- Richard Branson*

**PERCEPTION OVERRULES FACT!**

## Objection No 8: I ALREADY HAVE A GOOD JOB

On the 29<sup>th</sup> June 2018: 64 000 people woke up in the morning, got ready and made their way to work. When they all arrived at work, the doors were locked. All 807 stores! A well know company that had been in business for 71 years went bankrupt over night. This multi billion dollar company is Toys R Us. 64 000 families' lives changed in 24 hours. Their income stopped immediately with no severance pay. The corporate structures as we know are collapsing (no matter the size or age). Don't wait until your back is against the wall – get working on your 2<sup>nd</sup> stream of income ASAP!!

- Would you like to build a “Plan B” now in case one day you didn’t have a good job?
- Ask your prospect a couple of questions – if they answer NO to these questions, then you have a serious person to work with.
  - Do you truly love your job?
  - Do you always want to work for a boss?
  - Are you satisfied with your current salary?
  - Do you see yourself in this job until you retire?
  - Are you happy with the amount of leave you get?
- If you were given 1 month to live, would you honestly want to spend the next 9 hours a day in an office?
- Did you know that more and more professionals (like doctors, lawyers, dentists, etc..) are doing network marketing part-time.

**HERE TODAY, GONE TOMORROW!**

## Objection No 9: I HAVE DONE NETWORKING BEFORE. WHY / HOW IS THIS DIFFERENT?

It is said that major life changing opportunities only cross a persons path 3 times in their life. Sometimes we are so caught up in “life” that we often miss these opportunities right in-front of our noses. There are many good companies out there in the network marketing industry, the problem is they have been around for decades, so there are already millions of people involved. **With MTI new and fresh – 10 points below:**

## Objection No 10: IF A PERSON SAYS NO

- No just means “Not Right Now”
- Don’t take it personally – they are not saying no to YOU.
- If they say NO, don’t make assumptions in your head. They may just be:
  - Overwhelmed at work
  - Processing a shock or trauma
  - Putting some boundaries in place
  - Dealing with an illness
  - Saving finances by not going out
  - Prioritising family
  - Distracted by an unexpected life change
  - Tired of having to put on a happy face
  - Needing some silence and space
- Don’t fear NO. Fear being in the exact same place this time next year.
- It’s all about TIMING. People’s circumstances are like seasons, they usually change every 90 days.
- You cannot force someone to comprehend a message they are not ready to receive. Still, you must never underestimate **“the power of planting a seed”** – just keep watering the seeds, you will be AMAZED at what happens!

*Remember:*

**The day you plant  
the seed ... is not the day  
you eat the fruit!**

... Be patient  
... Be humble  
... Don’t give up!
